## **Cube Management Fills Position For Propex International**

Portland, OR February 19, 2008, Cube Management is pleased to announce the successful completion of a recruiting project for a Territory Sales Manager for the Arizona, USA Region. This is a challenging position selling and managing Propex Concrete Systems, which is the world's largest supplier of fiber solutions for concrete reinforcement. From their original Fibermesh® polypropylene fibers that have improved upon traditional secondary reinforcement standards to Novomesh®, an engineered blend of steel and synthetic fibers created for both short-term and long-term crack protection, their international staff of specialists have created solutions for concrete construction's greatest challenges.

Propex is a leading global producer of geosynthetic, concrete, furnishing and industrial fibers and fabrics, with sales offices, manufacturing plants, distribution centers and technical support in every major country worldwide. Their international operations span six locations, each employing highly qualified teams of engineers and specialists dedicated to finding solutions that meet the many needs of their global customer base.

Based in Gronau, Germany and Gyor, Hungary, Propex International is recognized as an internationally leading manufacturer of Polybac and Actionbac primary & secondary carpet backing, geotextiles and composite sheets. Strict manufacturing specifications, quality control monitoring and laboratory testing ensure their products consistently meet or exceed European standards. For more information on their Geotextiles Europe Division, visit "<http://www.geotextile.com/europe/>".
